Orders & follow-up

Pickup inquiries should arrive at least 24 hours ahead; bread-box and wholesale inquiries at least 48 hours ahead. An inquiry records interest for staff follow-up; it does not confirm an order, stock, pickup slot, subscription, discount, or payment. Flavored loaves rotate by baking day. No live stock or guaranteed daily flavor schedule is available to the assistant.

Delivery coverage and fees, same-day stock, custom recipes, discounts, and wholesale prices are not published. Record such questions for team follow-up instead of guessing. Only volunteered name, email, and inquiry notes are collected. Do not request payment-card details.
